

## GCRMC Neurology - Milestone Eval of Resident

### Instructions:

Please rate the Resident on the following scale based on your interaction and observation. This is an evaluation of the resident's competence in a specific area or the ability to perform a specific procedure. If you did not observe a specific behavior or a procedure please skip the question. 1/B- Beginner. Minority correct. Significant changes needed to meet standard of care. 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. 3/C- Competent. Met standard of care. No corrections necessary. 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level.

### PATIENT CARE

#### 1 Level at which the resident is able to perform an age and gender appropriate, complaint focused, history and physical examination

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**2 Level at which resident is able to recognize and define neurological problems**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**3 Level at which resident knows the indications, contraindications, risks and significance of ancillary tests**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**4 Level at which resident is able to generate an appropriate differential diagnosis.**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**5 Level at which resident is able to make informed decisions about diagnostic and therapeutic interventions based on patient information, patient preferences, up-to-date scientific evidence, and clinical judgement**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**MEDICAL KNOWLEDGE**

**6 Level at which the resident is able to demonstrate a knowledge of normal anatomy, physiology and anatomic principles that allow localization of neurological disease**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**7 Level at which the resident is able to demonstrate an understanding of pathologic neurological disorders**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**8 Level at which the resident is able to demonstrate a knowledge of the principles of pain management**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**9 Level at which the resident is able to demonstrate a knowledge of psychological and rehabilitation aspects of patient management, especially for chronic or long-term neurological conditions**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**10 Level at which the resident is able to demonstrate a knowledge of the prevention of neurological disease**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**PRACTICE-BASED LEARNING IMPROVEMENT**

**11 Level at which resident is able to recognize his/her own strengths and limitations**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**12 Level at which resident is able to ask questions as an engaged, critical learner**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**SYSTEMS BASED PRACTICE****13 Level at which resident is able to make appropriate referrals**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**14 Level at which resident is able to practice cost-effective healthcare and diagnostic testing**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**15 Level at which resident is able to demonstrate a knowledge of how to partner with health care managers and providers to assess, coordinate and improve health care**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|

**16 Level at which resident is able to recognize that the patient is part of a greater system and provides care in a manner that supports continuity**

|                                                                                      |                                                                                              |                                                                 |                                                                                                                                        |
|--------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------|-----------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------|
| 1/B-Beginner. Minority correct. Significant changes needed to meet standard of care. | 2/DC- Developing Competency. Majority correct. Some changes needed to meet standard of care. | 3/C- Competent. Met standard of care. No corrections necessary. | 4/AC-Advanced Competency. Well advanced beyond competency performance targets. Only a few exceptional residents will reach this level. |
